[Cellular Assays Of Chemokine Receptor Activation](#)

Cellular assays of chemokine receptor activation Proudfoot Dec 4, 2010 - UNIT 12.. Current Protocols in Cellular Imaging Analysis ; Assays; Receptor Activation; Cellular Imaging; in vivo Technology; There are many image based approaches for studying receptor.. Chemokines are chemoattractant proteins and two assays are Cellular assays of chemokine receptor activation.

This unit describes procedures for measuring the activation of chemokine receptors by their ligands.. E , Power, C A , Church, D J , Soler, D And Mack, M 2001 Cellular Assays of Chemokine Receptor Activation.. Chemokine receptors are coupled to G proteins, and activation of the receptors results in the mobilization of intracellular Ca²⁺ stores.. CXC chemokine receptors, CC chemokine receptors, CX3C chemokine receptors and XC.
